## About International DPS

International Delhi Public School is one of the elite Educational Institutions in the temple city of Tirupati. International DPS carries huge expectations from the society to mould every kid who walks into our campus and be able to adapt to future trends, be it education or personality development. The foundation stage and curriculum are designed keeping the needs & demands with the times. We teach children how to think and connect between their learning & experience. We aim to encourage learning by making the curriculum as interactive as possible, where children can learn practically and develop their independence as learners. As a management policy we bring professionals into the school and take the children out to places to expand their experience and make learning more real.

At IDPS, we aim to encourage and support each child to achieve their best and enjoy learning. It is important that we all understand and keep to the rules of our school. In order to achieve a safe, happy and ordered learning environment.

Delhi Public School Pvt. Ltd. is an ISO Certified Company. Our curriculum includes language, art, music, math, science, and physical activities implemented into monthly theme-based units. Our child will gain self-esteem and independence as they are treated with respect and encouraged individually.

The School,  
with the state of the  
**ART INFRASTRUCTURE**  
has

- Skating Rink and Running Tracks
- Well-equipped Science and IT Labs
- Dance / Music Hall
- Cricket Nets
- Volley Ball, Basket Ball, Badminton and Tennis Courts
- Excellent Air conditioned Auditorium
- Air conditioned Class Rooms & Hostel

And many more ....

## DPS JEE - MEDICAL Academy

DPS JEE-Medical Academy has taken it as a challenge to help students in securing admissions into the top universities in India and abroad.

Parents have a variety of aspirations for their children while seeking admission - some parents want their children to get into prestigious institutes like IIT, NIT, BITS etc; some want them to become entrepreneurs. Some want their children to become Doctors; some want them to pursue civil services and co-relative and some others target prestigious universities abroad as their children's academic destination.

Here, at Delhi Public School, it is a matter of serious consideration. International DPS was conceived with a comprehensive approach to school education focusing mainly on five important aspects of life- Health, Wealth, Character, Joyous Childhood and a well rounded education and that goes beyond helping them crack exams.

### TARGET - I

**Admissions into prestigious institutions in India like**  
• IIT • NIT • BITS • AIIMS • JIPMER • AFMC • BHU

There is a good section of parents who are insisting on providing foundation to enable their wards secure a seat in IIT, NIT, BITS, JNTU or in reputed Medical Colleges. They are on the lookout for an institution which provides effective foundation along with excellent facilities and discipline. International DPS is the right choice for them. To get a rank in competitive exams, student should be thorough in fundamental concepts of Mathematics, Physics, and Chemistry. We are best in this regard with an eminent team of lecturers, co-educators etc.

### TARGET - II

**Medical Studies**

It is the dream of many of the parents to see their children as Doctors. International DPS has a well-designed programme which thoroughly helps in developing the basics and fundamental concepts of Biology, Physics and Chemistry from School level to get through in the NEET examination. Eligible students are offered IIT and NEET foundation from class 8 onwards through conceptual teaching.

### TARGET - III

#### Civil Services

One section of parents want their children to focus on civil services either after 10 + 2 or degree. Foundation right from the school level definitely improves the chances of getting a respectable rank. In this foundation we focus on communication skills, aptitude and general knowledge. If one takes foundation classes for any academic task they may pursue in future, it will definitely increase the level of understanding and perception. International Delhi Public School is the best choice to succeed in this target.

### TARGET - IV

#### Becoming Entrepreneurs

Some parents want their children to become entrepreneurs and there by job creators. For the students who plan to become entrepreneurs we are planning to focus on the basic fundamentals of accountancy, economics, business administration, studying a sector and identifying the business prospects and management skills. Through frequent lectures by eminent people in this field and by some projects on various industries, seeds of entrepreneurship can be sown right from the childhood.

### TARGET - V

#### Admission into best Universities Abroad after 10 + 2

Some parents plan to send their children to pursue graduation in best universities abroad after finishing 10+2 here. If foundation is given for Scholastic Assessment Test (SAT) while they are in school level, the chances of getting a respectable score in SAT and advance placement exams increase remarkably to enable them secure an admission in eminent universities abroad.

# BOARDING FACILITIES

The school provides residential facilities for both the boys and girls on campus. All the hostels are well maintained and have all the facilities that help the children live and grow in an environment that they can identify as their home. Trained staff members, including a housemistress and a housemaster, along with a whole range of support staff, are entrusted with the well-being of the children and to ensure that the needs of pupils are fully met. The food we provide is most hygienic and nutritious. The school places much emphasis on the importance of students taking responsibility for themselves, and for each other, within a very carefully supervised framework. For our boarders, the hostel is also home and as such provides every facility for study, leisure and a flourishing sense of community, which can add so much to school days and later life.

## GOOD HEALTH

Seeds of health consciousness are sowed at a tender age with a hope that the concept of good health through healthy food and physical exercise will continue lifelong.

A carefully planned menu, facilities for all kinds of games and sports including Yoga / Meditation classes, lectures by stalwarts from the medical field are some of the steps we have taken towards building the foundation of good health.

## CHARACTER

We shall strive to imbibe in our students the values of respect and regard for all fellow beings, especially elders; helpfulness, Justice and empathy.

## DIET

The school dining provides nourishing, healthy, and balanced diet to the students. The school's chefs design the menu, keeping in mind the needs and desires of the children. Both vegetarian and non-vegetarian diet are served and the students often play an active part in menu planning.

## MEDICAL

The school has an in house Doctor / Nurse to look after the medical needs of the students. In addition the school also organizes regular health checkups every term. The school keeps a detailed record of the medical history of each student and appropriate medical care is provided as and when required. The school also has a panel of renowned medical specialists whose services are available to the school students as and when required.

## EDUCATION

With an enviable and exceptional record of creating successful students, we at international DPS offer a robust co-curricular programme to lay a strong foundation for the students to achieve the targets of their choice.

## JOYOUS CHILDHOOD

We strongly believe that a child is happy in a stress free environment that is also conducive to learning, with plenty of opportunity to play. Every activity in the school academic or otherwise has been designed to be student friendly and keeps the child jubilant and enjoying the wholesome learning experience.

# ACTIVITIES

# ADMISSION PROCESS

IDPS admits students based on their performance in the assessment test. It is important for parents and prospective applicants to understand the selection policy.

The students are considered for admissions according to their age appropriateness for the grade of entry.

## AGE CRITERIA

(as on the 1st April of the year of joining) are as follows :

LKG	: 3 - 4 Years	Grade III	: 7 - 8 Years	Grade VII	: 11 - 12 Years
UKG	: 4 - 5 Years	Grade IV	: 8 - 9 Years	Grade VIII	: 12 - 13 Years
Grade I	: 5 - 6 Years	Grade V	: 9 - 10 Years	Grade IX	: 13 - 14 Years
Grade II	: 6 - 7 Years	Grade VI	: 10 - 11 Years	Grade X	: 14 - 15 Years

A written assessment and interview are conducted. Parents will be notified about the date for the written assessment and interview.

### The written assessment will be conducted as follows

1. **LKG and UKG** : oral and Written test on basic Writing and Reading skills.
2. **Grade I and II** : Written and Reading skills in English and Telugu. Basic skills in Mathematics
3. **Grade III, IV and V** : English, Telugu, Science and Mathematics
4. **Grade VI to Grade X** : English, Science, Mathematics and Logical Reasoning.

There is no fixed syllabus for written assessment. Applicants will answer a multiple choice question paper for 100 marks based on the above subjects according to their class of entry.

Shortlisted candidates will appear for a personal interview with their parents.

On being granted admission, the following forms would need to be filled and submitted :

- Admission Form
- Local Guardianship Form

CBSE curriculum trains the learners to be confident, responsible, reflective, innovative and intellectual. It encourages and incorporates investigative approach which develops learners' knowledge, understanding skills and their ability to perform to the maximum as an individual and also as a part of team.

Each learner receives a statement of achievement and a diagnostic feedback. The feedback report shows how a learner has performed in relation to the curriculum, their learning group and the whole school.

Strong foundation is laid on application based learning and this provides valuable educational experience for the students and rewards them for positive achievement.

## F.A.C.E (FOUNDATION FOR ALL COMPETITIVE EXAMS)

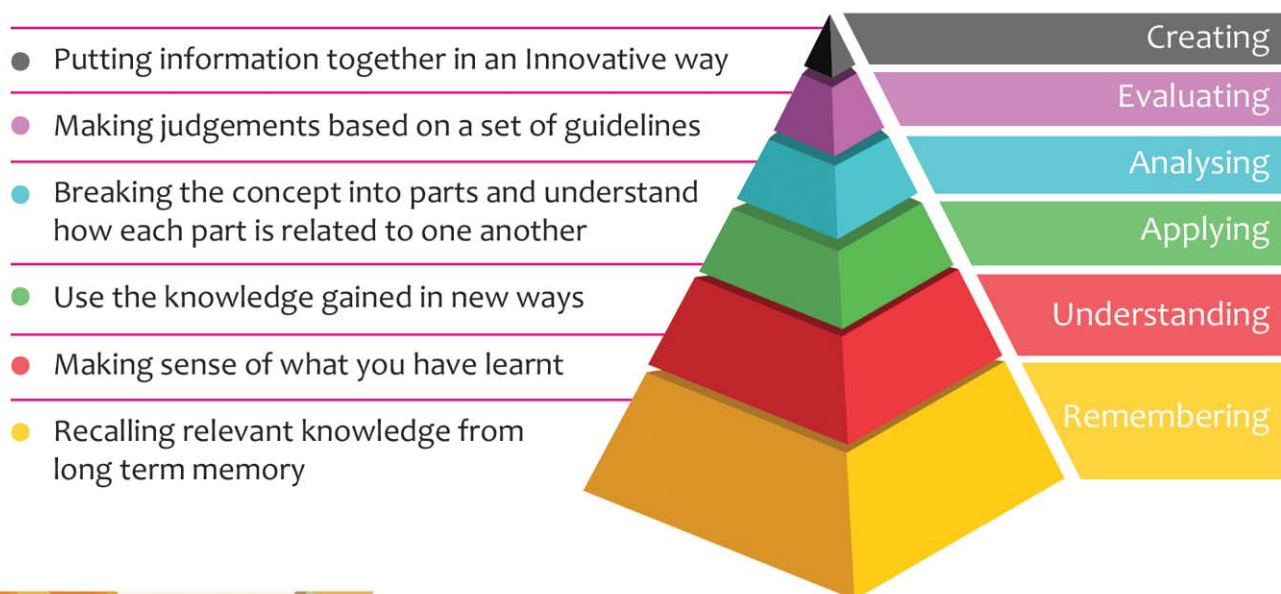

FACE is a unique course module that prepares students for competitive examinations. The module enables the student to successfully face any competitive examination after Intermediate, like EAMCET, IIT-JEE, NEET etc. By the time an International DPS student comes out of school after Grade 10, student will have knowledge of the subject equal to standard of an Intermediate student. FACE also gives students the head start at the Intermediate level to appear for the competitive exams at state and national levels confidently.

### ACADEMIC EXCELLENCE

Conceptual teaching is key word of International DPS. The prime aim of IDPS is to lay adequate stress on academic excellence. This quality has made us as the best institution in the temple town Tirupati. Selection of staff, their high profile training, conceptual teaching, effective academic planning and personal execution of the plan are the success mantras of International DPS.

In the primary classes upto Class V, play way methods and Montessori methods along with modern techniques of teaching are adopted. Much stress is given on language, ethics and human values. And basic fundamentals of the subjects, without stress.

From VI to X classes, the whole scenario takes a great turn. Conceptual teaching and analytical thinking are started with more seriousness. Rigorous training is given by a team of excellent lecturers to attain grip on the fundamentals of the subject.

## LABS

### SCIENCE LABS

Our well established science labs cultivate the spirit of enquiry and experimentation right from a young age. With an enviable infrastructure, these will be the breeding grounds for not only future scientists and technocrats but also people with scientific temper.

### AUDIO VISUAL LAB & TECHNOLOGY CENTRE

Our Audio Visual Lab & Technology Centre has the latest systems with a very healthy student computer ratio. Modern technology is put to the best of use in providing education. LCD projectors provide scope for interactive learning.

### LIBRARY

International Delhi Public School wants to inculcate the habit of reading and nurture a love for reading that will last for a lifetime in the students.

Our library is a veritable storehouse of knowledge and well-equipped with the best material including a large collection of books, journals, educational CDs, reference materials and so on. It also provides access to online resources on different subjects. With the advent of electronic gadgets there is a decline in this very interesting and healthy habit of reading. Library periods make it mandatory for the students to use the resources available. Some interesting activities are devised to motivate and promote reading habits and also develop research skills.

# SCHOOL SECURITY

The School management & Staff are on their toes when it comes to security. School considers both internal and external threats and in order to keep children and all people inside the school safe, the following security measures have been put in place.

- Students of Pre Primary are escorted to their classrooms from their bus drop off point by their teachers and helpers.
- The entire school is equipped with HD CCTV Cameras.
- All buses have a GPS tracking system & a Staff member.
- The School has installed a state-of-the-art-fire-fighting system.
- Central Security Alarm is installed & the entire staff is trained to handle and deal with all emergencies.
- All wash rooms are inside the school block and there are sufficient attendants present in the washrooms to ensure proper sanitation care.
- Visitors / Parents are only allowed to enter the school premises after a complete security check and verification at the gate.
- It is mandatory for everyone to wear their ID card inside the school.
- Regular Security Awareness workshops are conducted for staff & students.

The **FUTURE** is here

Life may not lead you where you want,  
but have faith, you are exactly where  
you were meant to be ...
